THE MILTON KEYNES ACADEMY
Creative Education Trust

Year 6 Transition Day

Subject: Ready for Life

What you will be learning in year 7:

In your Ready for Life lessons, you will be exploring who you are, your talents and skills and how you will make a successful transition to secondary school. You will have two ready for life lessons each week from September

Your Transition Day task:

We want to know about you!

In your packs, you will find some delicious gingerbread people and some items to decorate the biscuits. Using the gingerbread person, we would like you to create a representation of you. We would like you to have some fun and bring your personality to the design. It will be an opportunity for you introduce yourself to the Year team!
Before you eat your design, please take a photo and send it to:
