The Milton Keynes Academy

Uniform Policy

Last reviewed on: April 2026
Next review date: April 2027

Our Vision

Our vision is that every member of the Academy community (students and adults) is given the opportunity to achieve and be the best they can be. We want people to aspire to do great things, to achieve highly and to contribute to the Academy community, the community of Milton Keynes and to the national and international communities. In this way, 'Everyone Achieves'.

Our Values

Uniform promotes a strong sense of self discipline, self-esteem, equality, and a sense of belonging to a community with a shared set of values. At our Academy we value enterprise and employability skills alongside academic achievement. We want our students to be well prepared for the world of work where first impressions are very important. We believe that if young people look smart, they will act smart and be smart. Appearances matter. Uniform encourages a professional and business-like attitude that aims for quality and success. We want our students to be proud of their appearance and their academy.

Aims

Our uniform policy sets the right tone for impression for work and creates an equal community where all must take responsibility for their presentation and the impression they make. The uniform policy:

- helps to set the right tone
- promotes good behaviour and discipline
- protects children from social pressures and bullying
- supports community cohesion between different groups of students.

Overview and operation of the policy

1. The Academy uniform is both smart and practical and avoids the fashion trends. The only branded items available from our on-line retailer are the blazer, the tie and the backpack (see uniform list in the appendix to this policy and on the website). All other items are available from major retailers and the main supermarkets.
2. Students should be in uniform in the Academy and on the way to and from the Academy.
3. The standard of dress is the responsibility of the individual student.
4. Every member of staff has a responsibility to ensure that students are correctly dressed while in classes and moving around the Academy building (see uniform chain in the appendix).
5. Any member of staff may address a student's uniform issue at any time.

6. Tutors are expected to make the checking of uniform a daily event during registration.
7. Students who are not in uniform will be asked to collect borrowed items to change into the correct uniform.
8. Academy loan stock is for the day, borrowed items must be returned at the end of the school day. This loan stock is washed regularly and is bought for this purpose.
9. If students refuse to change, they will be detained in Reset Room, and their parents/carers will be contacted in a bid to resolve the problem.
10. The Principal or a person authorised by the Principal, may ask a student to go home briefly to remedy a breach of the Academy's rules on appearance or uniform.
11. Any issues of genuine hardship should, in the first instance, be referred to the Year Group Leader.

This policy will be reviewed annually.
