8 September 2025

Dear Parents and Carers,

I wanted to start by thanking the many parents who contacted the Academy in the past few days notifying us of a factually inaccurate and potentially damaging social media post regarding MKA's GCSE results. This is an example of how we as a community can support each other to ensure our children are never let down.

I want to be **really clear**: MKA celebrated our strongest GCSE results on record this summer and, while national GCSE results data has not yet been validated, we know from our provisional data that the average grade across all the subjects we offer for GCSE was a grade 4 or above.

MKA also has an Attainment 8 score above 40 which demonstrates that most students achieve a pass grade or above in all subjects.

In English, 65% of students achieved a Grade 4 or above, and in mathematics, 58% achieved a pass (Grade 4) or above.

We also saw more top grades this year, since more students achieved grades 7, 8 and 9 in more subjects than ever before.

We are immensely proud of the hard work and dedication of our students and staff, which was also reflected in our recent Ofsted report with inspectors grading MKA as 'Good' in all areas. As a school we know we are on a journey and we strive for constant improvement. Like you, we want the best for our children and we want them to have the best opportunities. These results, the Ofsted report and how we have grown as a community together all reflect this. We will not let inaccurate information undermine everything we have achieved together.

I know there are times I have asked you to trust me when we have introduced new things at our Academy. I have always appreciated how you have supported me, and together we have driven change at MKA. I want you to know that as a school, and as a wider Trust, we are doing everything to support you and your children and deal with this issue. However, I once again need to ask for your help.

If you see a false article about our school, please use the facilities on social media sites to report it. That way we are standing up for our children and letting them know we are proud of them and showing that we are a community.

Please encourage anyone who is interested in knowing more about MKA to attend our Open Evening on Tuesday 23rd September. We are absolutely committed to supporting our students through our core values of **Respect, Responsibility, Resilience, Equality and Aspiration**, which are further underpinned by our school motto of **Dream, Believe, Succeed**. We encourage you to see these values in action yourself too during our open evening.

The Open Evening will be held on the Academy site on Fulwoods Drive and is open to all visitors from 4.30pm onwards on Tuesday 23rd September.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Gordon Farquhar', written in a cursive style.
