Dear parents and carers,

Invitation to Apply for the Parent Governor Role on the Academy Council

We are pleased to invite applications for the role of Parent Governor on The Milton Keynes Academy Council, part of the Creative Education Trust. This is a valuable opportunity to contribute to the strategic direction and continuous improvement of our Academy, while representing the voice of parents within our school community.

The Academy Council plays a vital role in supporting the leadership team, monitoring key areas such as safeguarding, personal development, health and safety, and stakeholder engagement. As a Parent Governor, you will act as a “critical friend” to the school, helping to ensure that every student thrives and that the Academy remains aligned with the Trust’s mission to unlock opportunity, inspire ambition, and deliver lasting success.

We welcome applications from all parents and carers, regardless of background or experience - no specific qualifications are required.

Key Information

- The term of office is three years.
- Academy Council meetings are held four times per academic year and last up to two hours.
- Governors are expected to attend meetings, participate in school visits, and engage in training and development opportunities.
- A full induction programme and ongoing support will be provided, including mentoring and access to training via GovernorHub.

If you are interested in applying, please complete [this Microsoft Form](#), or send an email to info@miltonkeynesacademy.org.uk with your name, child's name and statement outlining why you are applying for the role, no later than Friday 21 November.

We hope you will consider joining us in this rewarding role and help shape the future of The Milton Keynes Academy.

Yours sincerely,
