21 August 2025

Dear parents, carers, students and colleagues,

Re: Record Results for GCSE Results Day

I am writing to update you on the performance of the students in Year 11 and what this means for our Academy.

You will be aware that in the recent Ofsted report we were graded as 'Good' in every area. One of the key points for development was that the Academy outcomes should start to reflect the great practice that they saw. I am delighted to report to you that **our Year 11 students have delivered the best results that the Academy has ever achieved.** More students than ever before have achieved the entry requirements to access sixth form, college courses, Higher Level Apprenticeships, A Levels and employment. More students than ever before have achieved a grade 5 or above in English and maths, and 61 students – that's 25% of the cohort – achieved a grade 9. Most pleasing is that the average grade for all students in all subjects is a pass or above.

Throughout my time at the Academy, we have worked together to drive up standards. I am delighted that this is now being reflected in actual results for students which will set them up for the rest of their lives. When I wrote to you regarding the recent Ofsted report I spoke about the next stage of our journey and how this phase is about going from '**Good to Great.**' These results are the first indicator that we are on track with that journey.

I am looking forward to the approaching academic year **where we will continue to expect the highest standards and push for more together.** We can only do this together and I really need you all to be part of that. **Students,** we need you to continue working in lessons, getting to school on time, taking part in extra-curricular activities and achieving as many rewards as you can. **Parents,** we need you to continue to get your children to school every day, to attend the parents evenings and school events, to maintain direct communication with us to

share your thoughts, and to challenge those who do not know our school to find out about it for themselves. **Staff**, I need you to keep your standards high, to continue to develop your skills as teachers and support staff, and to keep building those relationships with our magnificent students. I passionately believe that together we will continue to grow and improve.

I want to finish by thanking all the departing Year 11 students and families. We will really miss you, but we will always consider you a part of our Academy. Please do let us know how you get on and remember to follow the Academy motto of **Dream, Believe, Succeed**; you have proven that this is a reality for our Academy and have inspired us all. Thank you and well done!

I look forward to seeing you all in September and am excited about the next steps on our journey together.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Gordon Farquhar'.
