

# Milton Keynes Academy

## Rewards Policy

### Aims:

Rewards increase the motivation of all students, improving their self-esteem, aspirations and enjoyment of learning.

- The giving of rewards encourages all students to achieve.
- Creates a positive learning environment
- Increases pupil motivation and well-being
- The system of giving rewards supports the role of the tutor in celebrating success, and helps to facilitate the awareness of achievement by other members of staff and parents.
- Rewards support and promote good behavior and should be used alongside the school's behavior policy
